This beautiful, challenging, opening hole requires a long and accurate tee shot that finds both the fairway the bottom of the hill resulting in a level lie for the approach shot. The elevated green makes it difficult to get close to the flagstick. Par is a very good score on this hole.

GolfAppLive increases the excitement of a match, tournament or competition by providing Live Leaderboards on your smart phone or tablet.

Applicable for golfing groups of all sizes.

Try it now and see how it enhances the whole experience of a game

- ◆ 30+ pre-configured leaderboards covering all the various match formats
